

June 2017

Dear Parents / Carers and Year 11 students

As we come to the end of the GCSE exam series, I would like to congratulate all year 11 students on the way they have approached the exams.

I have been impressed by their determination to do well. This has included attendance at revision sessions and attendance through the actual exams. I am sure all of the hard work will be worth it in August.

Following your child's final exam they will not have to attend school unless requested by his / her provision leader. All pupils have received an independent Careers Advice and Guidance interview and have applied for post 16 places. If your child requires any further support please do not hesitate to contact our Careers Advisor, Michelle Hurst at Blackburn Campus. Michelle will also be available on GCSE results day.

Students are invited to collect GCSE results on Thursday 24th August 10 am to 12 noon at Blackburn Campus. Only your child can collect these results. Results will not be issued to another person without the necessary letter of authority from the student. Results cannot be issued over the telephone.

If you are not able to do this on this date, results will be available from the school office from Monday 4th September 10am – 12noon daily until Friday 8th September, again results can only be collected in person and signed for. Following these dates, results will be available for collection at an agreed time with the school office. I hope we can share some great results in August.

If you require any support during the next few weeks, please do not hesitate to contact your son / daughter's provision leader.

Our Annual Celebration event takes place on Wednesday 19th July. Students who have been nominated for an award will be invited to the event along with parents / carers. Your child's provision leader will contact you with further details of this event.

Yours sincerely

Mrs Joanne Siddle
Head Teacher
