

25<sup>th</sup> October 2017

Dear Parents / Carers

Following a serious firework incident in Blackburn last week, we have been asked by the emergency services within Lancashire to share the attached media statement.

Within school this week the statement has been shared with pupils.  
Please ensure you speak to your child regarding the seriousness of fireworks and the potential danger to lives.

Many thanks for your support on this matter.

Yours sincerely

 Deputy Headteacher

Mrs Jo Siddle  
Head Teacher
