

## Post Results Services

When you get your results you may wish to consider having a paper remarked or obtaining a copy of your paper so you can see exactly how you got on.

**These post results services may not be free of charge.** Full information about the various services that are available and the charges you would need to pay to use them will be available from staff on results' day.

**No direct contact is allowed between you or your parents and the exam boards – the exam centre has to make any requests for checks or remarks of exam papers on your behalf.**

The final date for requests for any remarks is **21<sup>st</sup> September**. This is the final date on which we can request these for you – you therefore need to apply to us in advance of this date to ensure we can meet this deadline on your behalf. You may request to have a copy of your original script returned to you up to **28 September**.

For remarks you must be aware that:

- **marks may go down as well as up so your grade can move both ways too. As a result.**
- **all requests must be made on the forms which can be obtained from the hall on the day of the results.**
